Children are more THAN JUST LITTLE BODIES.

They have developing minds, growing personalities, and impressionable spirits. That's why at Grounds For Play we seek to **encourage, inspire, and empower** children through play. Our mission is to design and build **recycled** outdoor play environments for children of all ages **that are safe and environmentally-focused** and encourage social, emotional, language, cognitive, motor, and physical skill development.

We are very different and we're proud of it.

We are built on an understanding of child development.

We are built on an understanding of **child development, play, and safety**, which is reflected in the equipment we manufacture and the play environments we design. Our understanding allows us to address comprehensive issues, age-specific needs, and create play environments that are **centered around your objectives**.

We maintain an extraordinary record of safety.

Our **commitment to safety** is reflected in each phase of our planning process — from our materials to our strategic 6' obstruction-free fall zones. All of our products **meet or exceed** standards set forth by respective organizations in our industry, such as IPEMA™ and the U.S. Access Board.

Our products are made from environmentally-friendly materials.

Our posts and decks are made from **95% recycled materials**, such as recycled plastic from many common household items like milk jugs. In fact, one pound of our plastic lumber utilizes a total of 8 gallon-sized milk jugs. Additionally, the posts and decking can be recycled at the end of their life.

[Learn more about our materials on page 6.](#)

We support *major areas of play.*

1

Physical Play

Movement play, primarily found in physical play, strengthens the body and develops gross motor skills. Physical play also allows for learning opportunities in adaptability, flexibility, and resilience.

Learn more starting on page 14.

2

Dramatic Play

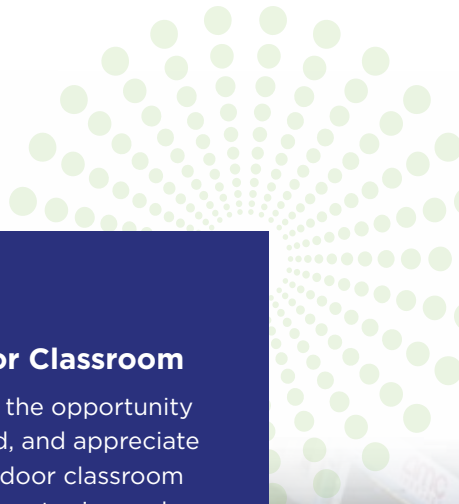

Dramatic play allows children to act out everyday scenes to make sense of their surroundings. Dramatic play also encourages communication, sharing, creativity, and emotional development.

Learn more starting on page 38.

1

2

3

Music & Art Play

When allowed to create, whether that be a musical piece or an art piece, children can access their playfulness, creativity, and innovative spirits. Music and art helps to develop a child's fine motor skills.

Learn more starting on page 49.

4

Nature & Outdoor Classroom

Nature gives children the opportunity to explore, understand, and appreciate nature, while the outdoor classroom allows children to explore topics such as math and science principles.

Learn more starting on page 44.

3

4

We build with eco-friendly materials.

Our recycled posts and decks look similar to wood but without the unwanted maintenance! This material is made from post-consumer plastic products, like milk jugs and detergent bottles. Neat, right? So, first things first. Let's see just how great our sustainable posts and decks are.

Reduce Air & Water Pollutants

Unlike wood, our structural plastic lumber doesn't need to be chemically treated, so there's no leaching of chemicals into the ground or water.

Reduce Toxic Exposures

Our plastic lumber doesn't emit toxins and irritants into the air or water like PVC or treated wood does.

Reduce Waste & Landfill Pile-Up

Our plastic lumber gives consumer plastics new life, reducing waste dramatically.

Reduce Deforestation

Unlike traditional wood, our lumber eliminates the need for deforestation — saving countless trees that wildlife depend on for food and shelter.

Durable, Long Lasting Posts & Decks

These reinforced posts and decks are vandal-resistant and protected from rotting, splitting, cracking, or splinters. Additionally, the posts have UV additives to protect from fading and are resistant to termites, marine borers, salt spray, oil, and fungus (making them perfect for coastal areas!). All of this combined provides a child-friendly, low maintenance, and slip-resistant surface for play.

Certified Green Posts & Decks

What's more, our supplier has the Recycled Content Certification by GreenCircle.

This certification qualifies their compliance with all Federal Trade Commission (FTC) 2012 Green Guidelines. **Our posts and decks also meet criteria for the USGBC LEED requirements.**

Our playgrounds are made for coastal environments.

Marine borers, salt spray, UV rays, and unwanted playground rust beware.

Built-In Resistance Our posts and decks resist marine borers and salt spray.

UV Additives Most of our components, as well as our shade fabric, either have UV additives or are UV stabilized to resist fading against that hot coastal sun.

Extra Protection Options Our metal components can have an extra-protection coating to protect against salt spray and the coastal air.

Learn about our other playground materials at [groundsforplay.com/grounds-play-materials](https://www.groundsforplay.com/grounds-play-materials).

Structures

We're low maintenance, environmentally friendly, and non-toxic — everything you're looking for in a playground.

Plastic coated punched steel and expanded metal decks are subject to rust, wear, and vandalism that causes the loss of coating. Our recycled decking is high-performance and resistant to fading and vandalism. These decks can be easily maintained with soap and water and a light pressure wash to keep your playground looking new. If a piece of decking is somehow vandalized, it can be replaced without the need to replace an entire deck.

Infant Exploratoriums

Ages 6-23 Months

Small Infant Exploratorium: GFP-30033

Recommended Ages: 6-23 Months **Capacity:** 8-10 **Size:** 7' x 7'

Includes: Bead, Peek-A-Boo, Bell Striker, Mirror, and Shape Spinner Activity Panels

Medium Infant Exploratorium: GFP-30034

Recommended Ages: 6-23 Months **Capacity:** 10-12 **Size:** 7' x 10½'

Includes: Bead, Peek-A-Boo, Bell Striker, Mirror, Shape Discrimination, and Shape Spinner Activity Panels

Large Infant Exploratorium: GFP-30035

Recommended Ages: 6-23 Months **Capacity:** 12-14 **Size:** 10½' x 10½'

Includes: Bell Striker, Bead, Peek-A-Boo, Mirror, Shape Spinner, Double Cylinder Sound, Bubble, and Texture Activity Panels

GFP-30036

Age Group: 6-23 Months

Capacity: 10-12

Structure Size: 8' x 8'

Use Zone: 20' x 20'

Est. Timber Count: 20

Includes: Bead, Bell Striker, Bubble, Shape Discrimination, Peek-A-Boo, and Two Double Sound Cylinder Activity Panels

GFP-30037

Age Group: 6-23 Months

Capacity: 10-12

Structure Size: 8' x 8'

Includes: Bell Striker, Bead, Peek-A-Boo, Shape Spinner, and Mirror Activity Panels

Adventures in Growing™ *Ages 6-23 Months*

These panel-based units for children ages 6-23 months allow for exploration of texture, shapes, sound, and more! **Available in a primary or natural color scheme.**

AIG012

Age Group: 6-23 Months

Capacity: 7

Structure Size: 11' x 2 1/2'

Use Zone: 24' x 15'

Includes:

- Slide
- Bongos
- Finger Maze
- Stairs

AIG021

Age Group: 6-23 Months

Capacity: 8

Structure Size: 11' x 6'

Use Zone: 24' x 19'

Includes:

- Slide
- Bongos
- Shape Spinners
- Stairs
- Sound Cylinder and Bead Panel
- Arch Climber

AIG031

Age Group: 6-23 Months

Capacity: 9

Structure Size: 11' x 8 1/2'

Use Zone: 24' x 21'

Includes:

- Slide
- Bongos
- Spin and Find
- Stairs
- Texture Panel
- Texture Climber

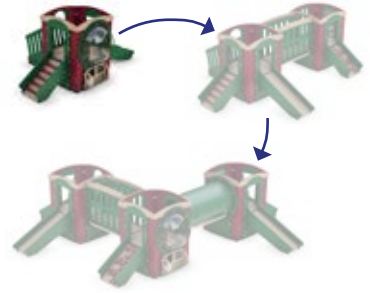

Tot-Trek®
Ages 6-23 Months

Start with the Tot-Trek® base unit and add on different play components based on the phases to the right (or start with the largest)! **Available in a primary or natural color scheme.**

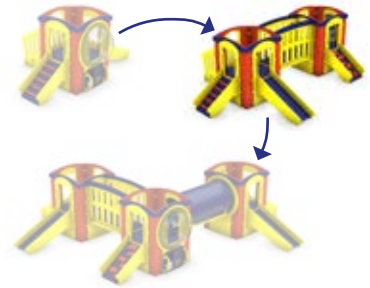

Phase One

- Structure:** TFR0520XX
Age Group: 6-23 Months
Capacity: 5
Structure Size: 8' x 6'
Includes:
- Stairs
 - Slide
 - Bubble Window
 - Texture Panel
 - Climber

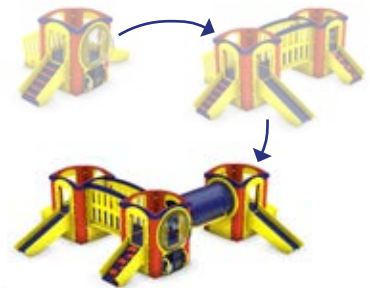

Phase Two

- Structure:** TFR0533XX
Age Group: 6-23 Months
Capacity: 10
Structure Size: 12' x 8'
Includes:
- Phase One
 - Bridge
 - Climber
 - Stairs
 - Activity Panels

Phase Three

- Structure:** TFR0518XX
Age Group: 6-23 Months
Capacity: 15
Structure Size: 14' x 15'
Includes:
- Phase Two
 - Crawl Tube
 - Slide
 - Activity Panels

Areas of Play

As supporters of major areas of play – dramatic, nature and the outdoor classroom, music and art, and physical – we offer hundreds of products that reflect our belief. Explore this section to see how you can bring education outdoors.

Natural Elements

Nature-Inspired Play

We have a variety of faux logs and boulders that may be used for edging, steps, climbing, or tunnels. They are made of glass fiber reinforced concrete, which strengthens its structural integrity for substantial durability.

A. Mount Hayden

Model: UP504
 Height: 5'
 Ages: 5-12
 Includes: Medium Sandstone Boulder, Log Post, and Balance Ropes

A

B

B. Mount McKinley

Model: UP506
 Height: 6'
 Ages: 5-12
 Includes: Medium Granite Boulder and Tapered Ladder Net

Single Post Swing Frame

Arch Swing Frame

Physical Play Swings

Single Post Swing Frames

Constructed from either 5" (without shade) or 6⁵/₈" (with shade) diameter steel, these frames feature an 8' height and are available with or without shade. **The version with shade is IPEMA Certified and ASTM F1487-17 Compliant.**

Without Shade

Bays	Item Number	Use Zone
1	TFR0628XX	24' x 32'
2	TFR0629XX	36' x 32'
3	TFR0630XX	47' x 32'
4	TFR0631XX	59' x 32'

With Shade

Bays	Item Number	Use Zone
1	RSW23516G	24' x 32'
2	RSW3516G	36' x 32'
3	RSW46516G	47' x 32'
4	RSW5816G	59' x 32'

Arch Swing Frame

Constructed from 3.5" or 5" diameter steel, these frames feature an 8' height and are for use with swing seats or tire swings.

For Traditional Swing Seats

Post Size	Bays	Item Number	Use Zone
3.5"	1	TFR3501XX	24' x 32'
	2	TFR3502XX	36' x 32'
	3	TFR3503XX	48' x 32'
	4	TFR3504XX	58' x 32'
	Add-A-Bay	TFR3500XX	Add 11' x 32'
5"	1	EFR0116XX	24' x 32'
	2	EFR0117XX	36' x 32'
	3	EFR0118XX	48' x 32'
	4	EFR0119XX	58' x 32'
	Add-A-Bay	EFR0120XX	Add 11' x 22'

For Tire Swings

Our tire swing frame is made from 5" steel tubing.

Bays	Item Number	Use Zone
1	90015991XX	22' x 28'
2	90015992XX	22' x 44'
3	90015993XX	22' x 59'
4	90015994XX	22' x 74'
Add-A-Bay	90945900XX	Add 11' x 22'

Standard Swing Frames

Constructed from 2 $\frac{3}{8}$ " galvanized steel tubing with cast aluminum junctions, these swing frames feature an 8' or 10' height.

The part numbers below are for galvanized frames. To order a powder coated frame for an upcharge, replace "XX" with "PC" in the part numbers below.

Bi-Pod

Available in an 8' height only.

Bays	Item Number	Use Zone

THE SURFACING LOW DOWN

Poured Rubber Options

Poured In Place (PIP)

- Two-layer system
- High wear resistance
- Great for high-traffic use
- Lower maintenance
- Great accessibility
- Add graphics
- Mix colors

Unitary Options

Bonded Rubber Mulch

- Recycled shredded rubber
- Great accessibility
- Medium wear resistance
- Many color options

Rubber Tiles

- Easy to repair
- Highly accessible
- High wear resistance
- Lower maintenance
- Many color options

Synthetic Turf

- Looks like natural grass
- Impact layer and wear layer
- Medium wear resistance
- Low maintenance

Loose Fill Options

Rubber Mulch

- Shredded rubber granule
- High wear resistance
- High impact attenuation rating
- Mold, animal, and insect resistant
- 100% recycled

Engineered Wood Fiber

- All-natural wood
- Economical initial cost
- Specifically for playgrounds
- Requires regular maintenance
- Use of wear mats under swing bays recommended to maintain proper depths

- St. Joseph's School for the Blind (NJ)
- St. Mark's School (NC)
- Turnstone Center (IN)
- Virginia School For the Deaf and Blind (VA)

Ask your consultant about our work with municipalities, parks, housing, hospitals, and health services!

We Make It Easy To Buy

Grounds For Play makes it easy to buy (no lengthy bidding process!) by having a nationwide team of consultants and by having contracts with the following organizations.

State-Specific Opportunities

The NASPO ValuePoint Cooperative Purchasing Organization is available to all public agencies, institutes of higher education, political subdivisions, and, in some cases, non-profit organizations in states who have obtained a NASPO ValuePoint Participating Addendum. Currently, we have partnered with the following states under NASPO ValuePoint Master Agreement No.: 6482.

- Montana
- North Dakota
- Oregon
- South Carolina
- Kansas
- New Mexico
- South Dakota
- Utah
- Washington
- Virginia
- New York
- And More!

For Businesses

Marlin Capital Solutions is a direct lender providing financing to small and mid-size businesses so they can acquire new equipment and technology while preserving capital. Their customers include equipment dealers, manufacturers, distributors, and small business establishments.

For Government Entities

BuyBoard is an online purchasing cooperative that gives its members best pricing on products, equipment, and services that they use every day. Members save time and resources because the competitive procurement process has already been completed. BuyBoard's nationwide members include those in public schools, municipalities, county government, and all types of local government agencies and non-profits.

HGACBuy is a cooperative purchasing network available to local governments, state agencies, and certain non-profit corporations nationwide. All products offered by HGACBuy have been awarded through a public competitive process. To become a member of HGACBuy and to view products like ours, visit hgacbuy.org.

GSA Advantage!® is an online cooperative purchasing program that provides access to thousands of products and services. State and local government entities can take advantage of this buying power to get you the best value and price.

For Everyone

Our consultants have extensive knowledge and training in early childhood and Grounds For Play products. Find your closest representative by visiting groundsforplay.com and clicking "Contact a Rep."

We Meet or Exceed industry standards

In our effort to provide quality and safe play products for children, our products meet or exceed the standards set forth by the below organizations. Additionally, we follow our own strict in-house standards and guidelines.

International Play Equipment Manufacturers Association™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA™) provides a third-party certification service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the standards below.

- ASTM1487-17, excluding sections 7.1.1, 10 and 12.6.1: Standard Consumer Safety Performance Specification for Playground Equipment for Public Use
- CAN/CSA-Z614-14, excluding clauses 9.8, 10, and 11: Children's Playspaces and Equipment

A list of current validated products may be viewed on their website at www.ipema.org. Grounds For Play is a member of this organization.

American Society for Testing and Materials

The American Society for Testing and Materials (ASTM) is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM developed F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current standard is F1487-11, published in 2011.

U.S. Consumer Product Safety Commission

The U.S. Consumer Product Safety Commission (CPSC) presents safety guidelines through the publication of their Public Playground Safety Handbook. This handbook promotes greater safety awareness among those who purchase, install, and maintain public playground equipment. The handbook can be viewed on the CPSC's website, cpsc.gov.

United States Access Board

The U.S. Access Board is a federal agency that promotes equality for people with disabilities. They've developed guidelines and standards for built environments, such as playgrounds.

In-House Standards

At Grounds For Play, we only use quality playground materials. Our playgrounds are proudly made in the USA and are built to last.

To ensure the safest play for your children, we offer:

- Quality control inspection on all parts and shipments
- All products must pass inspection in our IPEMA Certified In-House Testing Facility
- In-house production of most products
- All products meet or exceed CPSC, ASTM, and ADA Safety Guidelines
- On-staff CPSI certified employees
- Local field factory trained installation technicians

Allied Tube & Conduit®

Some of our products constructed from Allied's heavy-wall galvanized steel tubing, which is protected by Allied's patented Flo-Coat® process that uses triple-coat corrosion protection (zinc, conversion coating, and clear organic topcoat) to provide a smooth, shiny product appearance that is unmatched in terms of strength and durability

MADE IN THE USA

Our Leading warranty

Our warranty guarantees years of unlimited fun. **View our full warranty by visiting us online at groundsforplay.com/gfp-warranty.**

Grounds For Play (GFP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once GFP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by GFP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- 10-Year Limited Warranty on shade fabric
- 5-Year Limited Warranty on powder coat and nets
- 1-Year Limited warranty on moving parts, cables, nature products, and materials not covered above

Limited Warranty: Structural Steel

GFP offers a *Lifetime Limited Warranty on structural steel frames against failure due to rust-through corrosion under normal environmental conditions. Should the parts need to be replaced under the warranty, GFP will manufacture and ship new replacement parts at no charge for the first ten years, thereafter pro-rated at 50% for the second ten years and 25% from there on. Workmanship is warranted for a period of five years. This steel warranty shall be void if damage to the steel is caused by the installer or from physical damage, damage by salt spray or sprinkler systems, contact with chemicals, chlorine, pollution, misuse, vandalism, or any act of God.

Limited Warranty: Powder Coat

GFP offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors (yellows, reds, oranges, etc.) and a ΔE of <5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

Stainless Steel Series Powered by Playdale Playgrounds

Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Nature Products

Our natural products come with a 1-year limited warranty against manufacturer defects only. Nature materials and products are subject to weathering, cracking, checking, splintering, and insects, which are not covered underneath the warranty. Due to the sourcing of natural product, GFP cannot guarantee sizes or shapes to be uniform.

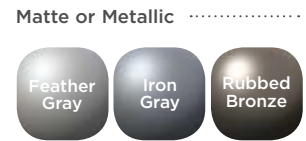

Pricing, Cancellation, Return, and Shipping Policies

All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. To view our return policy, please visit superiorrecreationalproducts.com/returns. For information on Return Material Authorizations please call 1.800.552.7529. To view our shipping policy, please visit groundsforplay.com/shipping. For any further information, please call 1.800.552.7529.

**For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by GFP using approved GFP parts. GFP will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.*
